## Accessories for EL5060 and EL5061 Series Actuators

### Available accessories

**EL5804** - Anti-condense heater.

**EL5806** - 2 switch pack.

**EL5807** - Auxiliary feedback potentiometer and gear.

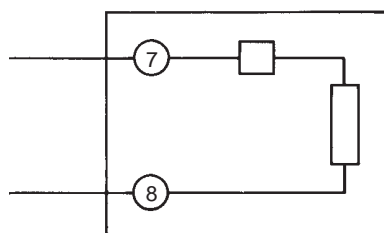

**EL5808** - Auxiliary feedback potentiometer without gear.

### Technical data

Accessory type	Specification
<b>EL5804</b>	4 watt
<b>EL5806</b>	15 A resistive at 250 Vac
<b>EL5807 and EL5808</b>	1 000 ohms, 4 watt

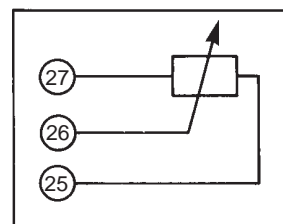

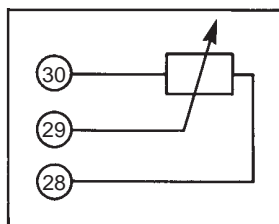

### Wiring diagrams

EL5804 anti-condense heater

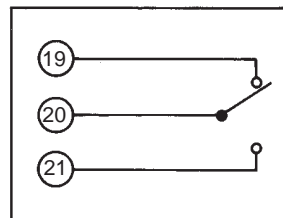

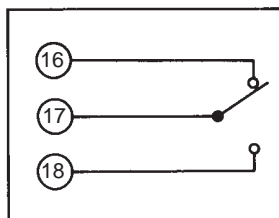

Anti-condense heater

EL5807 and EL5808 auxiliary potentiometers

1 000  $\Omega$  feedback potentiometers

EL5806 auxiliary switches

Adjustable travel switches

### How to order

**Example:** 1 off EL5807 auxiliary feedback potentiometer and gear train. For information on EL5060 and EL5061 series actuators see TI-P321-02.
